TO WHOM IT MAY CONCERN.

Our wedding was the most enchantingly beautiful few hours of our lives.

My husband and I were particularly fortunate to contact sunshine weddings and chose one of their professional celebrants.

With our vows, we decided to utilise part of one of the various ceremony choices we were given and also add some thoughts of our own and felt that the two combined, participated in creating a remarkable poignancy which ensured throughout the entire day.

Sunshine Weddings and Hire Venue was gorgeous, with enchanting views and an exclusive, luxurious country setting. All this for a surprisingly affordable tariff.

We also had our non alcoholic reception of 50 guests on location.

As obviously put, we would highly recommend Sunshine Weddings & Hire to anyone wanting to experience a particularly unique appeal on their special day.

Sincerely, Romni & Rebecca Craig.
